NOTICE OF SPECIAL MEETING OF THE COMMITTEE OF THE WHOLE
To Council Members Wolfsheimer, Roberts, McColl, Pratt, Struiksma, Henderson, McCarty, and Filner, members of the City Council of the City of San Diego, California:
A SPECIAL MEETING of the COMMITTEE OF THE WHOLE is hereby called to be held in the Council Chambers, 12th floor, 202 C St., San Diego, California, at the hour of *2:30 p.m. on Thursday, November 30, 1989.

*Previously noticed for 2:00 p.m.

The Committee of the Whole meeting is for the purpose of continuing hearings to obtain information on the proposed merger between San Diego Gas & Electric Company ("SDG&E") and Southern California Edison Company ("SCE"). Specifically, the Council,

through the Committee of the Whole, wishes to hear from the companies and the public regarding the effect such merger will have upon the City, its citizens, and the utility franchises previously granted by the City to SDG&E. The Committee will consider the record, along with other information obtained as a result of the City's participation in proceedings on the merger before the California Public Utilities Commission and the Federal Energy Regulatory Commission. The Committee will then consider, vote and report to the City Council a Resolution reflecting the Committee's determinations and recommendations regarding the proposed merger.

The Committee on Rules, Legislation and Intergovernmental Relations has previously determined that the appropriate areas for public discussion include, but are not limited to, the following:

- A. Record of service of SDG&E to the City and the intention and capability of SEC to carry on said service after the proposed merger;
- B. Fairness, reasonableness and level of rates projected to be charged by SCE after the proposed merger;
- C. SCE's intention and capability, after the proposed merger, to preserve, protect and improve the natural environment of the City;
- D. SCE's intention and capability, after the proposed merger, to be a good "corporate citizen" of the City;
- E. SCE's intention and capability, after the proposed merger, to contribute to the City's economic base and its economic development; and
- F. Any other consideration deemed pertinent to the subject matter of the fact finding.
